Emma Cooper – Business Manager at The Hayling College

"Dear Graeme

I just wanted to thank you for the support and guidance you and your team have given us in financing our IT purchase. You were very quick to respond, very helpful and it was easy to complete documents, and the best bit was you found an even better price for us and automatically reduced the costs!

Thanks again for all your help, we're all excited to have piles of IT here waiting to be fitted for our students for the Autumn term.

Best wishes

Emma"

Cheryl Baxter & Cathy Logan – Business Manager and Head Teacher – Winterton Junior School

"We would like to say that our experience of your service has been second to none. Emails are responded to very quickly, usually on the same day, but always within 24 hours. The service has been fantastic and very user friendly, even when your Adobe account was 'playing up' you found an alternative way to get the lease to us for signing to ensure there was no delay in organising the staff laptops for us. We have found everybody to be extremely helpful. All in all, it's been a pleasure working with you.

Kind regards,
Cheryl & Cathy"
